

ABOUT

I'm a UK-based UI/UX designer with 20+ years of experience in branding, corporate, and UX/UI web design. My design passion has fuelled a diverse career. I honed leadership, presentation, and client-facing skills, collaborating with developers and managing budgets to deliver successful projects on tight deadlines. I help clients solve communication challenges and craft exceptional online experiences that users love.

EXPERIENCE

ECHO WEB SOLUTIONS

UI/UX Senior Designer - Dec 2021 - 2023

- Led UI/UX projects from concept to launch, ensuring seamless user experiences.
- Translated client goals into intuitive designs through workshops, interviews, and user testing.
- Collaborated with developers for flawless implementation.

Impact:

- Designed a new e-commerce web app for Dynamax, resulting in a 14% sales increase.
- Increased social media presence for Dynamax: Facebook likes (4,700 to 80,000) and Instagram followers (900 to 18,000+).
- Led a complete user-centric redesign of the Oakham Ales e-commerce site.
- Project managed and designed Echo Web Solutions' brand, guidelines, webpages, and signage.

CRAIG STEEL DESIGN

Founder & UI/UX Senior Designer - 2013 - 2021

- Founded my own design agency specialising in branding and UI/UX projects for diverse clients: e-commerce, businesses, and SaaS companies (UK & International).

Impact:

- Won a pitch for branding and web application for Strauss Logistics (fuel distribution leader, Central & Southern Africa).
- Led design for Spam (e-commerce) in collaboration with SPAM UK (Hormel Foods USA) and their developers.
- Led design for Elemental DB (NoSQL database) brand and SaaS app.
- Designed and built e-commerce applications for Mortar & Milk (bespoke skin clinic).

CAIRNES DESIGN

Senior Designer - 1994 - 2013

- Thrived in a top 50 design agency (Creative Review & DesignWeek).
- Expertise in branding, corporate identity, direct mail, and exhibition projects.
- Mentored junior designers, Led, assembled project and pitch teams, delivered client presentations, and ensured adherence to timelines and budgets.

Impact:

- Designed annual reports for prestigious clients (Manchester United, Vickers, Thomas Cook).
- Created branding for American Express and British Airways Caledonian.
- Spearheaded successful direct marketing campaigns for American Express.
